LETTER FROM THE PRESIDENT

Greetings, Ladies and Gentlemen!

Welcome to **Winter Wonderland: A Thoroughbreds Holiday Spectacular**, the 66th Annual Show of the Thoroughbred Chorus. Join us in welcoming International Quartet Silver Medalists **Forefront**. We are excited to entertain you today with a new look, sound and enthusiasm.

I offer special thanks to all the volunteers that made this show possible, especially our wives, significant others, and family who support us in our love of music. Thank you to all the workers in the lobby who are selling CDs, hot apple cider, coffee and sweets. All concession sales and donations go to **Classic Melodies Performance Institute**.

“Classic Melodies is a performance arts school unlike any other in the Kentuckiana area. We have been in business for 19 years and at our current location since 2005. Our mission is foremost to provide an education in the arts and to make our students a success. We have great respect for our teachers, students, parents, and booster club. We will do everything in our power to make your experience here a rewarding and educational one.”

Please peruse this beautiful program and take note of all of the wonderful advertisers and sponsors of the Thoroughbred Chorus. We appreciate their support and dedication to sharing our gift of music to you and the Louisville and Southern Indiana community. Please patronize all of our generous sponsors.

Thank you to all the members of the Thoroughbred Chorus who have worked so hard to make the show a success. Your many hours of work will be well rewarded.

Ladies and Gentlemen, thank you for being a part of our Holiday Spectacular. Happy Holidays and please enjoy the show!

Yours in Harmony,

Eric Hunstiger
President

LETTER FROM THE DIRECTOR

Welcome to the Thoroughbreds' 2014 Spectacular: Winter Wonderland. We are very excited to show you what we have been doing this year in preparation, and to hopefully give you a couple of surprises.

It has been an exciting year with a number of ups and downs. We have spent a lot of time on some basic concepts and our members have come a long way both as singers and performers. I would be remiss if I did not recognize the hard work all of our members have put into the chorus this year. Thank you all for that!

We also have a number of exciting events lined up, and a few potential ones, so definitely keep a close tab on what we're doing. We would not want you to miss out on any of the fun. If you're a guy, maybe you should consider joining us on Monday nights and being a part of the fun.

I also need to take the time to recognize a very special woman. My lovely wife, Kris, who is the most loving and supportive person in my life. I could not do half of what I do without her help and support and I would not be the man I am today without her. Thank you, Kris, for all you do for us.

Are you interested in a historic setting for you event? Jim Miller Hall is a real treasure! The cornerstone was laid on July 3, 1833. After a fire destroyed the original building, it was dedicated on September 8, 1895. It was then purchased by the Thoroughbred Chorus in 1981. The building was known as Thoroughbred Hall until the Thoroughbred renamed the building after Director Emeritus Jim Miller who led the Thoroughbreds to 6 of their 7 International Championships.

Forefront

Forefront Quartet formed in August of 2009. Since then, this quartet has enjoyed success at International Barbershop competitions by placing 13th in 2010, 6th in 2011, 7th in 2012 and 5th in 2013! They were also named the 2010 and 2013 Cardinal District Quartet of the Year. They won the 2010 Cardinal District Quartet Championship and of over 300 district quartet competitions from around the nation, they finished with the highest score. Most recently, they won a 2nd place silver medal for their contest performances in Las Vegas this past July!

As one of the Barbershop Harmony Society's most sought-after quartets, they pride themselves in providing their audiences with great music, artistry, and performance energy!

Drew is our tenor and is in his 19th year in the Barbershop Harmony Society. He is currently director of the mighty Thoroughbreds Chorus and was assistant director with current 3rd-place medallist, Kentucky Vocal Union. Most recently, he sang tenor with the 2011 Johnny Appleseed District quartet champions, The Franchise, and sang lead in two college quartets, Thunder Cats & Blend Tech. Drew has already received his Bachelor of Music Theory degree from McGill University and is currently completing a Bachelor of Music Education degree at the University of Louisville. He owns a learning track business at www.AKWRRecording.com and resides in Louisville, KY with wife, Kris.

Brian is our bass and is one of the more popular basses in the Barbershop Harmony Society! He is currently a section leader for the internationally ranked Alliance Chorus from Columbus, Ohio. His big bass voice has been shaped by years of chorus and quartet experience including the 2001 JAD quartet champions, Matrix, which also placed as high as ninth in multiple international competitions. Brian shares his love of singing as a counselor in the JAD Harmony Camp every year. He works as IT for a physician's group and he and girlfriend, Shanno reside in Columbus, OH.

Kevin is our lead and is quickly becoming one of the society's favorites! He is currently director of the Illini Statesmen Chorus and is a former member of the Banks of the Wabash Chorus. His quartet experience includes some top finishes in the Cardinal District with Green Street Harmony and The Connection. His singing experience has been shaped by music theater as he was awarded Best Actor in his moving portrayal of Tony in West Side Story. He works for Pavlov Communications and currently resides in Champaign, IL.

Aaron is our baritone and has a long history of barbershop experience. He is currently a member of the Banks of the Wabash Chorus. His quartet experience includes multiple district championships including two Cardinal District wins with Wabash Avenue in 1998 and Keep Em Guessin in 2003. He also won in JAD in 2007 with TKO and has made fourteen international quartet contest appearances. Aaron has served as the president of the Cardinal District Quartet Champions Association and like Brian, is a Harmony Explosion Camp counselor. He is a Dean of Students at North Vigo High School and resides in Terre Haute, IN with his wife, Lynn, two dogs and three cats.

Are you interested in a historic setting for you event? Jim Miller Hall is a real treasure! The cornerstone was laid on July 3, 1833. After a fire destroyed the original building, it was dedicated on September 8, 1895. It was then purchased by the Thoroughbred Chorus in 1981. The building was known as Thoroughbred Hall until the Thoroughbred renamed the building after Director Emeritus Jim Miller who led the Thoroughbreds to 6 of their 7 International Championships.
